A message from our Principal

Dear parents,

What a chilly week it has been! Although, I do think that the adults 'feel the cold' a little more than the children. Some have still insisted on wearing shorts and needing reminders to wear coats at break and lunchtime! Thank you for bearing with us this week with the added salt on the school grounds during the cold snap and the minor disruption in the car park while the new lighting has been fitted. I'm pleased to say that this job in school has been completed successfully and we have a very bright school indeed.

I have had the pleasure of visiting classrooms this week and joining in with child-led worship. To see our children participating in Key Stage 1 and planning and leading prayer in Key Stage 2 was a wonderful experience. The children led with such confidence, care to detail and understanding of the key messages. Well done all!

I have added number of new dates to the school website and the diary below. Please do keep an eye on this. Year 4 parents, don't forget the Romans assembly that the class will be leading next Thursday - you're very welcome to join us and see the learning that has been taking place in Year 4 history lessons.

Finally, thank you to everyone who responded to the parent questionnaire. We had 89 responses overall. Ideally I would have liked a full school (207) to analyse but there is a good spread of the school that I have been able to do this for. Please see the results below. *Please note - each parent who responded represents 1.12%.

I have included some of the comments and suggestions received within the analysis, but if there is anything further that you wished to discuss with me please do not hesitate to make an appointment at the school office or see me on the gate.

I'm delighted that the questionnaires are so positive and that you feel that St Joseph's is a happy and thriving place for your children.

Our Lady and All Saints Church welcomes you! Mass Times - Saturday 5pm, Sunday 8:30am and 11:30am. Latest newsletter [OLAS-Bulletin-14th-January-2024.pdf](#) January scripture commentary [OLAS-COMMENTARIES-JANUARY-2024.pdf](#)

Simon and his brother Andrew are fishing by a lake when Jesus asks them to follow him. At once, they leave their fishing nets behind and go with Jesus.

James and John do the same when they are asked. They leave their father behind as well as their boat and their fishing nets. They follow Jesus and become his disciples.

Do you think it was an easy decision for them to make to follow Jesus in this way?

How do you think the people that they left behind, like their families and friends, felt when they left so quickly? How would you feel if you had to leave your family, friends and all your things behind.

Jesus asks us all to follow him. But unlike Simon, Andrew, James and John in this reading, we cannot see Jesus and go with him as he travels round the country. So, what do you think Jesus wants us to do? How can we follow Jesus?

We can follow Jesus by living our lives as he would want us to. By being kind to others, sharing all that we have, and caring for all people, especially those who are poor or sick, so that the world becomes a fairer place for everyone to live in.

We can also follow Jesus by standing up for what we believe in and speaking out when we see something that is not right.

And of course, praying helps us to follow Jesus. It is when we pray that we come to know Jesus better and this helps us to understand how to follow him.

How will you follow Jesus this week?

We try to follow Jesus in all that we do and so we pray together:

We pray for the Church throughout the world: that it may continue to follow Jesus' example by welcoming and helping those who are poor, sick and alone. Lord, in your mercy...

We pray for our parish, family and friends: that we may follow Jesus by sharing what we have with those who do not have enough. Lord, in your mercy...

We pray for our parish, family and friends: that, even if we find it difficult, or others laugh at us, we may stand up for what we believe in and follow Jesus' call. Lord, in your mercy...

Closing prayer:

Lord Jesus, lead us to join together with other people across the world in helping others, especially those who are poor, so that all people may know that we are your followers. Amen.

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message . If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they MUST be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please go to www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals

If you need further information, you can contact the Free School Meals Teams by:

Telephone - 01384 814988

Email - freeschoolmeals.benefits@dudley.gov.uk

More information

For more information about pupil premium go to our website, which contains details of how the pupil premium has been spent in the past academic year and how it will be spent this year.

Please do sign up to this fantastic resource which we also use regularly in school. All schools within Emmaus have been provided with this opportunity to support online safety of our children.

Within school, we are able to see which courses that you have completed, but not any other details. Please ensure that you select the 'parent/carer' user group when you sign up.
