A message from our Principal

Dear parents,

I hope that you and your families are well and where possible today you have been able to enjoy some time together during our final inset day of the academic year. The children have had an enjoyable week in school with Reception's visit from the animal lady an absolute highlight. Our youngest children in school had a great time and were so calm and caring towards each of the animals - a real credit to our school!

Thank you to the parents from Year 5 who came to meet with the school nurse and I hope that this session proved interesting and informative.

Father Philip also led class Mass in Year 6 and thank you to the parents who also attended. Across school, it has been very pleasing to see the children continuing to gain confidence and knowledge of planning and leading prayer - truly living our school mission.

I have emailed all parents today with a link to our Catholic Life and Prayer questionnaire. We truly value your contributions and feedback as parents which support us to continue to develop and adapt which is of great benefit to the children. I appreciate you taking the time to complete the questionnaire and can assure you that I will read each one returned. The link is below. Of course, if you do wish to discuss anything in further detail please do call in to the office.

Please do continue to keep an eye on the diary below as there are a number of events coming up shortly - including our annual (and my first at St Joseph's!) sport's day on Tuesday. Let's hope that the weather remains dry for us.

Updates:

June TEN:TEN Newsletter Here is the June newsletter from Ten:Ten. This newsletter shares some of the content children will experience in school throughout May and suggests ways to support your family prayer times www.tentenresources.co.uk/prayers-for-home/parent-newsletter/

We have a number of places available in our before and after school clubs. Please do enquire in the office if this is something that you wish to access or learn more about. Our Gymnastics club is now open to our Reception children too.

Have a great weekend and best wishes to all of our dads who are celebrating Fathers' day on Sunday - enjoy the special attention and I hope that like your gift organised by our PTA!

God bless

Mr A. Wilkes

Principal

The poster features a dark blue background with a circular logo at the top center containing a cross and a building. Below the logo, the text reads: "St. Joseph's Catholic School", "We have places available for children to join our wonderful school this September!", "For more information, please contact school reception:", "01384 431980", and "info_stjosephs@emmausmac.com". A small "Ofsted Good Provider" logo is on the left. Below the text is a collage of six photos showing school activities: children with drums, a group in a circle, a gymnast, a stage performance, a child playing guitar, and a school parade.

1 - We have a limited number of places available for our Reception class starting in September 2023. If you would like to know more, please contact our school office on 01384 431980. Come and join our wonderful school! "St Joseph's continues to be a Good school" - Ofsted Feb 2023.

Reminder - Family Mass takes place each Saturday at 5:00pm. Please come and join us! The latest Parish newsletter can be found at this link [OLAS-Bulletin-11th-June-2023.pdf](#)

Children's liturgy - The twelfth Sunday in Ordinary time Matthew 10: 26-33

Jesus' friends are afraid and don't know what to do. They feel that they aren't very important and that God may not look after them. Jesus looks at the world around him and sees that God is watching over everything, even tiny birds like sparrows. Have you ever seen sparrows? What do they look like?

When you look at the world, what else can you see that might remind you of God's love for us all?

Jesus tells his friends that they are worth more than many sparrows. If we ever feel afraid, we can remember those sparrows in the gospel, or some of the other things we have mentioned, and be reminded that God loves us even more.

Jesus says that, because God is looking after them, his friends need not be afraid to speak up and tell everybody about Jesus and the things he said.

Can you remember some of the things Jesus said, that it would be good for us to tell other people? He said we should try to love our neighbours as we love ourselves. Anything else?

In our country, there are not so many sparrows as there used to be a few years ago. We are starting to realise that we need to look after them and to protect the places where they live.

Around the world, lots of the birds and animals and plants that remind us of God also need us to care for them.

We all need help sometimes, we cannot do everything on our own.

God loves us all and so we are called to take care of one another, to love one another, no matter where in the world that we are. We are also called to protect and care for the earth, so that everyone can share in the good things that God has given us.

This can be hard sometimes. We might need to be brave and to speak out for what we know is right when we see others treating people or the earth badly.

Can you try to remember that God loves you this week? And can you be brave and try to share that love with others just like the disciples?

We know that every person and every living thing is important to God and so we pray together:

We pray for the Church throughout the world: that she may continue to follow Jesus' example of respect and love for all people. Lord, in your mercy...

We pray for all our sisters and brothers around the world: that they may make their stories heard and have hope for the future, as they work to build a fairer world. Lord, in your mercy...

We pray for our parish, family and friends: that we may see that all people are equally important, no matter whether they are rich or poor. Lord, in your mercy...

Closing prayer: God of life, help us to see the beauty of your world, and to treat all people around the world with respect and love. May we share your hope and love with others. Amen.

Reflection adapted from Cafod children's liturgy

Our May Procession

The May Procession at St. Joseph's

On Wednesday 24th May, our school community came together to hold a May Procession. Father Phillip led us in our Liturgy along with our Year 6 children. Our celebration began in the hall where we gathered to share praise and thanks for Mary our Mother. Then, to the beautiful sounds of "As I kneel before you", we processed through school and out onto the KS2 playground. The sun shone as we paused to pray for our wonderful Year 6 children as they prepare to move to their new schools. Still singing we then, moved to our KS1 playground where we stopped to pray for our families and thank them for their love and support. We then returned to the hall to place flowers around the statue of Our Lady and to reflect on the very special place Mary has in our lives, our hearts and our faith. Thank you to everyone involved in making this a memorable occasion.

Steam week

Steam week was a great success! The children had great fun and learnt lots! They especially enjoyed learning about architecture, designing, printing, geometric shapes, life cycles, plants and lots more! Thank you to our parents who came in to talk to the children about their careers. We have created a 'pop up' gallery in the entrance area for you to see the activities that took place during STEAM week. Lots of further information and photographs can be seen on our social media pages.

Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

PTA updates

We are very lucky to benefit from such an active and passionate PTA - thank you for your ongoing support to our school!

Please see the below videos for how our outside area has been transformed in school with thanks to the PTA! We have lots of exciting plans including a gardening club, vegetable patch, the use of a greenhouse, a pond area, new benches to listen to stories from the storytelling chair and areas for children to be responsible for. All showing how we are caring for our common home - how wonderful!

The PTA today organised the Fathers' day sale in school - thank you very much for the donations to the sale!

Thank you so much to our fantastic PTA!

Please see the link below for an update on the PTA outdoor projects for the rest of this year. If you can help in any way, please do let your

class PTA representative know. Thank you to the PTA for preparing this wonderful slideshow! [OUTDOOR PROJECTS \(canva.com\)](https://www.canva.com)

Thank you so much to the PTA who joined us last Saturday and helped out with the outdoor area at school. The school environment looks absolutely wonderful and the children had a brilliant surprise on Monday morning! Thank you PTA!

Attendance

Congratulations to Years 2 & Year 3 who have achieved the highest attendance this week. You will receive an extra play time!

Attendance for the whole school for this week is 93.56%.

Here is the attendance for this week for each class:

Year R: 95.6%

Year 1: 96.2%

Year 2: 96.9%

Year 3: 96.9%

Year 4: 95.6%

Year 5: 96.5%

Year 6: 95.2%

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message . If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they MUST be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please go to www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals

If you need further information, you can contact the Free School Meals Teams by:

Telephone - 01384 814988

Email - freeschoolmeals.benefits@dudley.gov.uk

For more information about pupil premium go to our website, which contains details of how the pupil premium has been spent in the past academic year and how it will be spent this year.

3 - National Online Safety

This week we have emailed you with information on how to sign up for resources, courses and webinars around online safety using the National Online Safety platform. I will shortly add suggested resources to your parent 'watch list' which I believe will be of great support to us all as we keep our children safe in an ever changing environment online. Please do sign up to this fantastic resource which we also use regularly in school. All schools within Emmaus have been provided with this opportunity to support online safety of our children.

Within school, we are able to see which courses that you have completed, but not any other details. Please ensure that you select the 'parent/carer' user group when you sign up.
