A message from our Principal

Dear parents and families,

Despite the cooler weather this week it has been lovely for the sun to also appear enabling the children to spend more time on the field at lunchtime and to visit our forest area in school. Let's hope the brighter weather is here to remain!

It has been a very busy week in school with the children deepening their understanding of fundamental British Values and a celebration for St George's day. In addition to this, new signage has been installed in the entrance area and in the school hall - really brightening up our environment and creating a focus for us in time for us to celebrate the Feast day of our school Patron Saint, St Joseph, next Wednesday.

Thank you to those who have taken the time to complete the Catholic Life, RE and Prayer parent survey that was sent out earlier this week. Your views are very important to us as we continue to move school forward. The link is here and I'd be very appreciative if you took 10 minutes to complete the survey over the weekend Thank you.

Finally, all parents in Reception to Year 5 will have received a letter this afternoon regarding Mrs Riley's Reading Café that will take place on Thursday 9th May at 3:30pm in the school hall. This will be a great opportunity to read with your child, hear about some top tips to use when reading with your child at home and resolve any issues that you may be experiencing with the Boom reader recording log. If you're able to join us, please return the reply slip as soon as you can!

Polite reminders:

Please could I ask that parents log into Arbor and ensure that all consents are up to date and completed.

Ensure that the school life app notifications are 'on' to alert you to school messages that are regularly sent.

Please make sure email addresses are up to date with school as predominantly this is how information is sent out to parents.

Have a great weekend.

Mr A. Wilkes

Principal

St Joseph's Art Show

ST. JOSEPH'S ART SHOW – SHOWCASING OUR VISUAL ARTS

We are holding our first whole school art show on **Thursday 16th May from 3.30 -4.30** and are looking for some help! Could you support us in any way? We are looking for:

1. Volunteers on the afternoon of 16th May to set up our show in the hall
2. Display/exhibition boards (that we can borrow or buy cheaply)
3. Materials with which to make display boards (wooden batons, chicken wire, hinges and screws)
4. Handy people to make display boards

Please get in touch with Mrs Cangiano through the school office if you can help in any way. Thank you so much for your support.

Polite request for community members with skills! Dear parents, there are a number of ambitious projects in school that we wish to begin,

and wondered if any members of our community would be interested in offering some of their skills towards the benefit of our school community? For example, we're looking for painters, joiners, carpenters, videographers and green fingered members of the local community to come forward and see if they could help. If this sounds like something that you feel you might be able to support with, please do give the school office a call. Thank you.

Our Lady and All Saints Church welcomes you! **Mass Times - Saturday 5pm, Sunday 8:30am and 11:00am.** Latest newsletter April scripture reflection [OLAS-SCRIPTURE-COMMENTARIES-APRIL-2024.pdf](#)

Jesus is teaching his disciples. He calls himself the “true vine”. Do you know what a vine is?

What grows on a vine? Grapes grow on vines.

Jesus calls us his branches because he supports us, like a tree trunk supports its branches. And he wants us to bear fruit for him.

What do you think this means? Do you think he wants us to grow grapes?!

What Jesus means is that he wants us to stay close to him and follow his teachings. This means being the best we can be, loving each other, and loving the beautiful world he has given us.

But this world is changing. Because the planet has been treated badly, our climate is heating up. And the hotter it gets, the more we see big weather disasters like storms or droughts – when there is no rain and everything dries up like the vine we heard about in today's gospel.

Everyone is affected, but the poorest people suffer the most.

We all have a part to play to protect our world, so that it stays a beautiful place for us all to live in safely.

There are many ways that we can show love for our neighbour and care for our world. Can you think of some, so that you will be like the strong, healthy branches on the vine that Jesus talks about

We know that Jesus is the true vine always supporting us, his branches. Let us keep this in mind as we pray together.

We pray for the Church throughout the world: that it may follow Christ's example and show love and welcome to all people. Lord, in your mercy...

We pray for all those who have been badly affected by the changing climate; may we always show care for our planet and not damage it any more. Lord, in your mercy...

We pray for our parish, family and friends: that we may be moved to show love for our neighbours, both here and around the world. Lord, in your mercy...

Closing prayer:

Closing prayer: Generous God, support us in all that we do as a vine supports its branches, and help us to support and share with others around the world. Amen

Please make sure your child is in school every day unless ill. Remember illnesses such as colds can be managed well with Calpol and although children can feel unwell first thing in a morning they do tend to brighten up during the day. We will always contact you if we are concerned that your child has become unwell throughout the day.

If there is no reason provided for your child's absence an unauthorised code is marked in the register. This will impact your child's overall attendance. Please contact school before 8.55am where possible and leave a message . If we are not aware of why your child is not in school we will try and contact you, if we are unable to contact the parent/carer we may call one of the other contacts on your child's records.

Please try to be as punctual as possible, we have noticed a small number of children are arriving late to school. If your child arrives after the close of the registration period (9.05am) this again is recorded as an unauthorised absence on the register and will affect your child's overall attendance figure. If your child arrives at school after 8.55am they MUST be accompanied by a parent/carer for signing in purposes.

In line with Government guidance all pupils who test positive for COVID-19 are recorded as ill in the register.

Curriculum

Have you seen the curriculum area on our school website? It is full of information about the progression of key knowledge and skills that our children learn throughout their time at school. Our curriculum is designed to ensure that the precise knowledge and skills are learnt and reinforced so

that the children develop a wide schema (web of knowledge) and are able to know more and remember more during their time at school and are prepared for their next stage in education.

Ofsted agreed that we are continuing to develop an ambitious curriculum so that in all areas the children are able to achieve well and use the techniques that they have been taught to tackle a variety of challenges. Our curriculum is rooted in the teachings of the Gospel and Catholic Social Teachings so we make links with the children's learning to areas such as caring for our world, the dignity of workers, developments for the common good and more.

To bring the curriculum to life, we also plan for educational visits and visitors that enrich learning further.

You can view your child's learning in all areas at the link below.

Pupil Premium and Free School Meals

If your child is eligible for 'free school meals' and you register them for this, we'll receive extra funding called 'pupil premium'. We use this extra money to improve the educational provision and resources at the school.

What is pupil premium funding?

Pupil premium funding from the government is given to schools to help pupils reach their full potential, regardless of their background or financial situation. It's provided for pupils who:

- Are registered for free school meals
- Have been registered for free school meals at any point in the past 6 years
- Are, or have been, in care
- Have parents in the armed forces at St Joseph's Catholic Primary School,

We get an extra [£1,385 (for primary schools) / £985 (for secondary schools) – these figures are for the 2022/2023 financial year] for every eligible pupil who is registered for free school meals. This extra money could make a real difference to the quality of education we offer.

For example, we've previously used pupil premium funding for:

- Educational provision/resources
- Academic interventions
- Wellbeing and self-esteem building interventions

Is my child eligible for free school meals?

Your child might be eligible if you access:

- Income Support
- Income-based Jobseeker's Allowance or Employment and Support Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on
- Universal Credit, provided you have an annual net earned income not exceeding £7,400 (£616.67 per month)

Universal infant free school meals

Currently, pupils in reception, year 1 and year 2 are entitled to a free school meal thanks to a different government funding scheme known as universal infant free school meals (UIFSM). You shouldn't confuse UIFSM with free schools meals and the pupil premium.

If your child is in reception, year 1 or year 2 and is eligible for free school meals according to the criteria above, you should still register because we'll receive the extra pupil premium funding.

Does my child have to eat the free school meals?

No. Pupils who are registered for free school meals don't have to eat them. If you're eligible but you want your child to have packed lunches you should still register because the school will receive the funding which can support your child in other ways.

How do I register?

You only need to register once at the school.

To register, please go to www.dudley.gov.uk/resident/your-council/council-tax-and-benefits/benefits/free-school-meals

If you need further information, you can contact the Free School Meals Teams by:

Telephone - 01384 814988
